It's RightOLD CHAMPION  
MEETS JEFFRESFatsy Marley Walks Twenty  
Miles For Greeting.

## CELLS OF BY-GONE DAYS

AGED PUGILIST WON LAURELS  
45 YEARS AGO.

James J. Jeffries, champion of the world, the highest type of modern pugilist and a man whose name is a household word wherever the English language is spoken, yesterday extended the hand of good fellowship to Fatsy Marley, a man who forty-five years ago occupied the same pinnacle of fame now held by the huge boiler maker. Marley had walked twenty miles to greet him. The meeting took place at the Kenyon hotel and was witnessed by a number of men, one of the two principals was a young man of gigantic proportions in the prime of life, the other a bent old man of 70 years of age, gray and shriveled, but these features still retained the strong outlines so noticeable in a successful fighter.

As the two men stood grasping each other's hands, one could almost picture their thoughts. Fatsy Marley perhaps thinking of the years gone by when he, the Jeffries of today, stood bold and erect and with unflinching eye defiantly looked the world in the face and acknowledged no man as his superior. Jeffries perhaps wondering if he, like Marley, some day would see the hand of one new and greater gladiator to whom new generations would be doing homage. One who stood and watched the air as they discussed battles of bygone days and those of recent times wondered at the short span of a human life and saw the hero of today shall be engulfed by the myriads of those who come tomorrow.

## Marley Now a Utahn.

Fatsy Marley is well known in Salt Lake in which vicinity he has lived for a number of years. For some time he has been working a claim in the mountains and he hopes to strike it rich and come again live in the luxury which he was used when a champion pugilist. Marley read in The Herald that Jeffries was in the city and yesterday he walked from Farmington to Salt Lake to meet the world's champion. The distance is nearly twenty miles from where Marley lives, but this made little to him. Although 70 years of age, the frame that he withstood the battering of a hundred battles was still active and Marley did not enjoy the little walk.

## Record of Old Pugilist.

He is perhaps the last living representative of the old bare knuckle fighters who fought for hours and hours under the old London prize ring rules. Coming to this country from Farmington, Utah, he was considered the greatest fighter in the world, but gradually he gave way to younger men. His last fight was with an opponent named Orman in Montana in 1874, one year before Jeffries was born. This fight lasted all one day, when it was postponed on account of darkness. The next day the men met again and after battle for several hours the fight was declared a draw.

Marley began his fighting career when a school boy in England and his first contest was with the town bully. The latter offered him a two shilling piece to fight ten rounds. Marley was under 100 pounds Marley gave the bully the two shilling piece back to fight ten more. It was accepted, but before the time was up Marley had put his man out.

MARVIN HART WRITES HERALD  
FOR MATCH WITH JIM JEFFRIES

"If Marvin Hart can prove to the satisfaction of the American public that he is a worthy competitor of James J. Jeffries and as such has a chance to defeat the champion he can have a match." Thus spoke Marvin Hart, the Louisville fighter and his manager passed through Ogden yesterday, and on learning Jeffries was in the city, addressed the following communication to the Sporting Editor of The Herald:

"I know of this fellow Hart, but hardly know him. He is a very good white man. I am leaving Ogden this afternoon for San Francisco with Marvin Hart, the Louisville giant, who is open to box any man in the world, but who prefers to box the champion. We are ready to box Jeffries in January and I assure you that Hart will make it interesting for even the wonderful Jeffries. Will you kindly say that the January date in San Francisco can be had if Jeff will box." Very truly yours,

W. A. PIERCE.  
The above communication was shown Jeffries last evening after the show. He read it over carefully and then said: "I know of this fellow Hart, but hardly know him. He is a very good enough card. Say for me that I do not want any more of those Madison affairs in mine, and I will not make a match in which the public could accuse me of looking for a little easy money. The next man I meet must be recognized by the public and sporting writers of the country as having a chance to win. In other words he must be able to make me exert myself to beat him. I do not wish to belittle Hart as a fighter, but I hardly think his record entitles him to a match. However, you can say that if Hart can convince the public he is entitled to meet me and a club can be secured who will offer a suitable guarantee, he is on. It will be time enough then to talk about a date."

## LOOKS LIKE GO FOR BIG RACE

Eighteen Teams Are Entered For Long Grind.

## LOCAL RIDERS NUMEROUS

SAMUELSON AND WILLIAMS STAND GOOD SHOW.

New York, Dec. 2.—Eighteen teams will compete in the six-day bicycle race to begin tonight at Madison Square Garden at 12:30 a. m. next Monday. Following is the official list:

"Bobbie" Walthour, Switzerland, and Petit Buncion, France.  
Arthur Vanderstuyft, Belgium, and Josephine, Belgium.  
Antonio Dussol, Argentine Republic, and Antonio Mazan, France.  
"Bobbie" Walthour, Atlanta, Ga., and "Bennie" Munro, Tennessee.  
"Nat" Butler and James F. Moran, Boston.  
W. Palmer, Australia, and Emil Agaz, Mexico.  
E. F. Smith and Oliver Dorlon, Sheephead Bay, L. I.  
Hugh MacLean, Boston, and James B. Bowles, Chicago.  
Harry Caldwell, New Hampshire, and Norman C. Hopper, Minneapolis.  
Patrick Keegan, Lowell, Mass., and Patrick F. Keegan, Boston.  
Floyd Krebs, Newark, N. J., and Joseph Fogar, Brooklyn.  
Charles Turville, Philadelphia, and Louis Metting, Boston.  
Sammy Sullivan, Boston, and Joseph Rockowitz, New York.  
Hardy Downing and Burton Downing, San Jose, Cal.  
William F. King, Missouri, and Mario Rossetti, Italy.

Judging from the above press dispatch it would appear that the big six-day race would take place after all, much to the satisfaction of the thousands of cycle fans in this city. This race will be of more interest than any preceding one to Salt Lake on account of the number of local riders who will take part.

Of the thirty-six entries about a dozen of the riders have appeared in the local that a Salt Lake man stands a pretty good chance of winning something in the race. Samuelson and Williams are the long and faithful for this race. The race starts five minutes after midnight Sunday, according to schedule, but a number of special sprint events have been arranged for this evening.

BASEBALL TALK  
FOR NEXT SEASON

Boise Writers Have Framed Up a League for 1905.

## SALT LAKE IS INCLUDED

McCloskey Said to Be Now on His Way West.

Baseball league manufacturers have been busy the last couple of days up in Idaho, even if they have not been doing anything down here in Salt Lake. A league for next season is already framed, and as Salt Lake is included it is good news for local fans. Here is the way the league is being put together. It is strictly Idaho dope, and The Herald is not responsible for it.

"Will Boise be included in the Pacific National league in 1905?"  
The general impression is that it will be, and that it will be the forerunner to Boise being included in a much stronger league in 1906.  
The present outlook is that the Pacific National league the coming season will include six teams: Boise, Salt Lake, Reno, Kane and Butte, composing the league last season, with the addition of Ogden and Helena. With the addition of Ogden and Ogden, it is argued that the league would be greater, as it would give a better variety of faces on the diamond.  
McCloskey Headed For Boise.  
"John J. McCloskey, who managed the pennant winners last season, is expected in the city at any time for the purpose of interesting our people in the new league. He left his Kentucky home the day after Thanksgiving for Boise, but is thought that he will stop in Salt Lake en route for a few days to confer with baseball magnates in the major leagues. As soon as McCloskey reaches the city it is expected that there will be something doing.

The ex-chief of the Boise Baseball association was yesterday taken by the receipt of a draft from the New York club for \$250 for the release of Starke. At the close of the season Starke was sold to New York for \$500. By the terms of the sale \$250 was to be paid when he was released, and the balance when he was proven he had "made good." Should Starke make good, the association will receive the remaining \$250 some time early in the next season.

## Cost Towns in 1906.

"Those who are interested in the great national sports are looking to the future. The agreement which holds the Pacific Coast league together will expire with the close of the season of 1905. The Capital News is betraying no confidence when it says that the league will cease to exist at the close of last season. It has not been profitable, for the reason that there has been no harmony in the management. The Capital News can state authoritatively that the league will be broken up. The baseball men are already figuring on a new league for 1906. The present interest in the league is being lost. Tacoma, Portland, Boise, Ogden and Salt Lake. This would make a strong league. Boise has the money, but it has a very poor team, and the only city that could be included to break the long jump from Portland to Salt Lake.

## DUB FIGHTER SAYS HE IS FROM SALT LAKE

In Pueblo the other night a scheduled fight between "Kid Texas" and "Kid" Hardin the latter claimed to come from Salt Lake. The fight was a draw. The Salt Lake did not make the weight. Hardin was eight pounds over the required 135 pounds. The fight was a draw. The Salt Lake did not make the weight. Hardin was eight pounds over the required 135 pounds. The fight was a draw. Assailant of Pierpont Herrick Evades Officers, But Promises to Come Back.

Mark Brown, the young man who, Thursday night assaulted Pierpont Herrick and chewed his ear, lacerating it in a frightful manner, was not arrested yesterday. He is believed to have fled to Promontory, in Box Elder county, where he has relatives. Sheriff Bailey reversed his policy and refused to let Brown come back to Ogden, arriving on this evening's train, and would give himself up to the police.

## READY FOR ELECTION.

School Board Meets and Completes the Preparations.

The board of education met last night and completed arrangements for the school election which is to be held Dec. 7. The board appointed judges of election as follows:

First ward—D. E. Emmett, W. J. Stephens, O. McDowell.  
Second ward—Charles D. Tyne, Miss Emma Olsen, Professor J. A. Smith.  
Third ward—Morris Stone, Jesse L. Moore, Andrew Wilson.  
Fourth ward—F. A. Shields, Fred Foulger, William J. Hancock.  
Fifth ward—T. A. Whalen, Miss Rosella Canfield, Louis Miller.

The board also directed the clerk to get a supply of envelopes similar to the ones used in previous years in which to enclose the ballots and also to furnish any candidate a reasonable number of these envelopes Monday morning preceding the election, which will be held Wednesday. These envelopes will also be supplied by the judges of election at the polls. The board will meet again Monday evening to fill any vacancies that may occur among the judges of election, and to transact any other business that may be necessary in relation to the election.

Bills amounting to about \$25 were allowed and Miss Ellen Clark, primary supervisor, was granted leave of absence to Jan. 1, because of illness of a member of her family at Phoenix, Ariz.

W. B. Wilson, the county superintendent, reported that the appropriation of money for the Weber county received from the state was made on a basis of 3,235 school children in the county, 3,860 being in Ogden city, and 3,275 in the county outside the city. The city will receive in cash \$8,545, and the county schools \$4,365.

## PETERSON WON'T RUN.

Third Ward Republican Nominee Declines to Make Race.

Carl E. Peterson, nominated at the Republican primary in the Third ward for the position of member of the board of education, has declined to run, and has so notified the Republican city committee. At the primary where Mr. Peterson was nominated, it will be remembered, the majority of those in attendance, although Republicans, wanted to nominate Judge Thomas D. Dee, a Democrat. They were only prevented by the appointment of the city central committee in their claim that a "Republican candidate" as specified in the official card, must mean a candidate whose political beliefs were Republican.

As a result, Peterson was nominated at the primary. He has considered the matter since Monday and yesterday announced his determination not to oppose Judge Dee, though stating that he believed he could be elected. His business, he said, would not permit him to give attention to the campaign and would not permit him to attend to the duties if elected.

## For Pure Ice.

The city board of health has condemned 25,000 pounds of ice for impure which are filled from the waters of North Ogden canal. Permits were granted to John H. Cordell, Miles L. Jones, George S. Smith, Gus Becker and Farr Brothers. John Shupe was granted a conditional permit for the ice being the same as the ice around the area from which he takes ice for domestic purposes, and that it may be free from contamination by skaters.

A permit was granted for Jones' pond, providing a filter be put in. The Bailey pond may also be used if the slough water with regard to G. W. Tresemer's pond. Otherwise the ice must be used for storage purposes only.

## In Judge Rolapp's Court.

Judge Rolapp yesterday heard the arguments in the case of E. T. Woolley against the Ogden Woolen mills and took the matter under advisement. This was the case where Woolley sued the several mill companies for wages amounting to \$367 due under contract. The claim was resisted by the company on the ground that the woolen mills, which the plaintiff was chosen to manage, burned down and that the contract, therefore, had to be terminated.

O. A. Elmqvist was yesterday appointed administrator of the estate of the late Peter Peterson who was killed by being struck with a Union Pacific switch engine while working on the tracks last August. The administrator gives bonds in the sum of \$400.

## DR. COOK'S QUICK, CERTAIN AND SAFE CURE FOR VARICOCELE

The only known method that cures the disease without a surgical operation, loss of blood, the least bit of pain and not interfering with occupation.

My treatment by Acupuncture and Absorption checks the overflow of blood to the scrotal veins and removes the stagnant blood that obstructs the circulation, so that the ganglionic nerves, the weakness of which causes Varicocele, are restored to strength, and normal circulation to the organs is resumed without a sign or symptom of Varicocele ever returning.

In treating Varicocele it is always necessary to cure the complications, if the disease has been neglected, which are often worse than the cause, and I never dismiss a patient until I have restored the organs to their natural size, strength and soundness, revitalized the nervous system so that nervousness disappears, stopped all VITAL, DRAINING AND LOSSES, REVIVED SEXUAL POWER and renewed the body with a robust condition and perfect health.

There are thousands of men deceived by unskilled doctors who claim to cure Varicocele by medicines, electricity, suspensories and many other deceptive schemes, and this is why there are so many who have become so skeptical as to think there is no cure for them. There never was a cure for Varicocele except by surgical operation or MY METHOD. Surgical operations are often dangerous, unsuccessful and painful.

**\$500 DEPOSITED IN THE BANK**  
CURE OR NO CHARGE—ABSOLUTELY NO CHARGE UNLESS SATISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, lifelong cure and entire satisfaction, and I have made a deposit of \$500.00 in the Utah National bank to secure any contract that is not fulfilled.

CONSULTATION FREE. CONFIDENTIAL AND INVITED, both at office and by correspondence. Successful treatment by mail. Terms are always made to suit the convenience of any one applying for treatment, and very reasonable charges. Do not treat elsewhere until you have investigated my methods and terms.
